Historical Butler Yearbooks Join the Internet Archive

Irwin Library recently uploaded digitized historical Butler Yearbooks to the [Internet Archive](#). This project was made possible through the LYRASIS Mass Digitization Collaborative – a Sloan Foundation grant-subsidized program that has made digitization easy and affordable for libraries and cultural institutions across the country. Through the Collaborative’s partnership with the Internet Archive, all items were scanned from cover- to-cover and in full color. You can choose from a variety of formats, page through a book choosing the “read online” option, download the PDF, or search the full text version.

Digital Commons Promotes Historical Butler Yearbook Collection

Irwin Library is leveraging the searching power and organizational ability of Digital Commons to help promote the historical Butler University Yearbooks, located at the Internet Archive. Currently we have only duplicated content for the [Drift](#). However, other yearbook-related content will soon be added to the [Special Collections Community](#), so check back often!
