

ANYTHING I CAN DO, U CAN DO TOO

MARY J. YOUNGQUIST
Rochester, New York

Take a word like POT, add the letter U, and you have POUT. Described below are other word-pairs in which one becomes the other merely by the addition of U. Answers are found in the Answers and Solutions at the end of this issue.

U can ...

1. Change a nickname (either gender) into a chemical compound.
2. Make avenging deities out of small fish.
3. Turn something staid and proper into a festival.
