

THIS WORLD-FAMOUS WRITER HAS PRODUCED GREAT WORKS

We were lucky to obtain copies of this logologist's masterpieces. One title is **CURIOUS CROSS-WORDS**. The other is **LANGUAGE on VACATION**. Both books are frequently cited by writers of interesting articles in **WORD WAYS**. These two books are out of print and out of stock. They cannot be found in bookstores now. But, you can still get both titles from us at the special price of \$4.00 each, or both for \$7.00. We really have only a limited supply remaining. When these gone, no more copies will be available. Another of Mr. Borgmann's works, **BEYOND LANGUAGE** is almost impossible to find. We ought to know. We advertised for it and received no response. Don't wait too long. Get these books while the present supply lasts. Each title is truly a grand paradise of puzzles and information.
