ANAGRAMS FOR SADDAM HUSSEIN

TOUR DE FARCE

I.  

Saudis  
S  Sands. Ah, I'm due  
A  hidden sums as  
D  D.U.N. has missed. A  
A  Sudan Messiah  
M  as dunes hid, as  
H  U.S. dead mass in  
U  dim ashes. Sand  
S  amid sun, shade  
S  in mad Hades. U.S.  
E  sins dash mud. A  
I  I madness had us  
N  shamed.

II.  

Ah, Damn'd issues!  
Human asses did  
mad sad Hussein.  
Damn us, he's said  
and U.S. is shamed.  
He damn's Saudis  
and had misused  
his muse. And sad  
sands hide a sum:  
his undead mass  
had dunes amiss  
and assumed his  
mad-dash sin. Sue  
his sad use. Damn  
Saddam -- he's in us.

III.  

A dim sun shades  
his damned as U.S.  
smashes undid a  
sudden sham.  
(Is a  
muse his sad and  
dim use?)  
Hands as  
mad as his end us  
as shames undid  
Saudis. Men dash  
and smash: I'd use  
hands I assumed  
sun-mad.  
He's said  
UN's mad. He's said  
U.S. is dash'd. Amen.

IV.  

A mad sun dishes  
his sad, sad menu:  
send Saudis ham,  
send Shias mud. A  
mad sun hides as  
Saddam shines. U.S. handmaids use  
sand-muses. Had I  
shedList a sin as mud  
hisses and a mud  
man dies? Dash U.S.  
aid. Sand mushes,  
Shias madden us,  
sad heads minus  
a shine add sums:

(SADDAN HUSSEIN + U.S.I.S + HASID)  
MADNESS = DEAD HUMANS
