Bananagrams--anagrams to drive you bananas--consist of rhymed couplets, each one containing a pair of anagrams to be solved. One of the rhyming words will always be an anagram, and the couplet itself will offer clues to help solve the anagram. The following anagrams are all taken from Rex Gooch's article "Swapping Terminal Letters" in the November 1999 Word Ways. Answers can be found in Answers and Solutions at the end of the issue.
