

## MY FAVORITE MAGIC

### NORWICH BUMSTEAD

St. Wordbuch, Maine

This is certainly my favorite word-magic effect. It starts with the subject finding the words that solve the following list of definitions.

- 1 Hawthorne's red letter
- 2 UFO pilot
- 3 Indian greeting
- 4 Signaling speed unit
- 5 First appearance
- 6 Abbot on first (two words)  
(alternate clue) Wall Street?
- 7 Self-love (var. O.E.D.)
- 8 Political philosophy
- 9 Certain caterpillars

The astute mathologists among you will quickly recognize the magic (or semimagic) property of these nine answers. See Answers and Solutions for an interpretation.
