

GROUP THERAPY

STEVE KAHAN

Hollis Hills, New York

Each of the twenty offerings below displays alphabetically-ordered initials, sans one, corresponding to a familiar set of elements. To achieve your objective, you must properly identify the collection, fill in the blank, and delineate all of the members of the set. For instance, were you faced with C, G, H, __, you would need to recognize that Z is the absent letter, since the stage names of the Marx brothers were Chico, Groucho, Harpo, and Zeppo. To facilitate your search, once a letter is used to fill a blank, it becomes ineligible for use a second time.
