My Dad Always Waves Goodbye: A Meditation During Quarantine

Alexi Eastes

The yellow dandelions are finally growing.

I wish numbers weren't so important.

They cannot see your imagination.

10 pairs of overalls with Diet Cola and coal stains.

Realize the potential you have.

Shootings 2 miles down the road from school.

My mind is much more enchanting.

You have no idea how long this has taken.

Will the flowers ever grow? When the weeds stop sprouting.
