stars; I have been little so long.

Near - er the stars; Near - er the

Near - er the stars; Near - er the

Weigh me, high wind!

Tempo I

Weigh me, high wind!
What will your wild scales record?

What will your wild scales record?

Faster (\( \textʰ \) = 90)

Measure me, sky! Tell me I reach by a

For Perusal Only
Near the stars; have been little so long.

Horizon, reach but, catch at my hands, stretch me taut.
For Perusal Only
be my width and my height,

no breath

World, my heart's span

Love-li-ness, wings for flight.
Sky, be my depth, Wind,

be my width and my height,

Slower

World, my heart's span; Loveliness, wings for
