Here's To “U”

STEVE KAHAN
Hollis Hills, New York

Presented below are the definitions of thirty two words, each of which contains three or more appearances of the letter “U”. All of these have been inserted in their proper place in each answer, with blanks representing members of the remaining twenty five letters of the alphabet. As you peruse (sorry!) the list in your search for solutions, be forewarned – this exercise is not for the U N A D V E N T U R O S !
