zealous zestful energy about loved object, utterly serious

zebras zoological entities bearing regularly arranged stripes

I hope you'll be tempted to play this open-ended game again and send your best efforts to the editor or to the Kickshaws editor.

NATURAL ORDER

SIR JEREMY MORSE
London, England

The quaking jungle
Becomes a zone
Of unvexed order
When the lion preys—
  A buck dies fighting;
  Jackals moan;
  Opaque forest
  Curves in waxy haze.
