December 1966

*This is a work of art. Do not  
gulp it down. Savor it slowly.  
Remember the texture of the  
lines, and the aroma that  
lingers after each piece.  
Digestion is a slow process!*

*We, the editors, present to  
you, Butler students and  
faculty, MSS for 1966.*

*This collection of  
creativity . . . the expression  
of our age . . .*
