

## ANAGRAM QUIZ 3

ANIL

Perth, Australia

The clues are definitive anagrams or polyanagrams of the answers. Most are reversibles (work either way). Answers are out back.

- |                                 |                                     |
