Manuscripts is published by the English Department of Butler University once each semester. The material is written mainly by students of the Freshman English, the Advanced Composition, the Creative Writing, and Writers' Workshop classes.

This issue of *Manuscripts* is respectfully dedicated to senior staffers Teri Giertych and Karen Greene whose contributions to *Manuscripts* are immeasurable. As they leave Butler to pursue their respective careers elsewhere, they take with them our appreciation and our best wishes for successful, productive futures. They will be sorely missed!
