Jordan Hall  
Butler University

Dear Editors:

I am anxious to read your next issue of Butler's award winning literary magazine. It speaks well of the University to produce such fine and promising literary works, and I trust this issue will continue that long-standing tradition. Your task presents a challenge, but the fruits of your labor should prove its worth. Put me down for a copy of MSS.

Cordially,

John G. Johnson  
President
