SLANG FORENAMES

LEONARD R. N. ASHLEY
Brooklyn, New York

You all know about an Adonis, a Tarzan, and such, but here are some slang terms which employ common forenames. You don't have to be an Einstein to identify most of them, but a few may challenge you to be a Sherlock to figure them out. How many can you get right? Answers can be found in Answers and Solutions at the end of this issue.

1. prostitute's client
