INSTRUCTIONS TO AUTHORS

Word Ways is interested in receiving original articles (non-fiction, fiction or poetry) relating to recreational logology. All articles should be sent to the editor, A. Ross Eckler, Spring Valley Road, Morristown, New Jersey 07960.

It is only necessary to send one copy of an article. Although handwritten manuscripts are permissible, authors are strongly encouraged to send typewritten articles in order to ensure legibility. Crossword puzzles, diagrams and the like should be drafted in black or India ink in a form suitable for photo-offset reproduction.

In non-fiction articles, the responsibility for the accuracy of any statements rests primarily with the author. The general scope of any investigation should be defined; for example, a statement that words have been taken from the Merriam-Webster Collegiate dictionary or Unabridged dictionary, or place names taken from the Rand McNally Commercial Atlas or the Times Index-Gazetteer of the World. If a word or a name comes from an unusual source, this should be identified. Footnotes in general should be avoided; references can be given either in the text or at the end of the article.

Non-subscribers to Word Ways will receive a copy of the issue in which their article appears.

INSTRUCTIONS TO SUBSCRIBERS

Word Ways is sent out under a second-class mailing permit. When a subscriber moves, the post office does not forward the magazine; instead, it returns the mailing label (not the magazine itself) and charges 30 cents for this service. A replacement copy must then be mailed to the subscriber's new address at third-class rates (38 cents in 1986). Since these costs are not reflected in the price of the basic subscription, it is necessary to charge an additional fee of two dollars for a replacement copy if Word Ways is not notified in advance (by February 1, May 1, August 1 or November 1) of an address change. Word Ways will continue to replace at no charge copies lost in the mail that were sent to the correct address.

The difference in the magazine subscription rate between U.S. and foreign (including Canadian) subscribers is entirely due to the difference in mailing costs.

Redefines the Etymological Dictionary

The Barnhart Dictionary of Etymology traces the evolution of 30,000 words basic to contemporary American English, presenting the development of our language in terms every reader can understand. Avoiding abbreviations and technical terminology, BDE includes interweave thousands of linguistic and historic facts to explain when and where a word first appeared, how it changed, and what were the sources of its formation or change.

A Practical Tool for Researchers at All Levels

The BDE has a place in all types of libraries:

- High School Libraries
  Ideal for beginning language arts or vocabulary programs, the entries of the BDE clearly explain the development of meaning, spelling, pronunciation, and function in English.
- College and University Libraries
  For every student of the English language, literature, or American culture, the BDE consolidates information from the standard resources within a single, easy-to-use volume.
- Public Libraries
  The casual reader will find the BDE a companion volume to the reading of the classics, history, current affairs, or popular literature.

Thousands of New Americanisms Covered

The BDE focuses on the English language as it is written and spoken in the United States today, featuring thousands of terms never before treated in an etymological dictionary.

Complete Historical Perspective in a Single Volume

From Old and Middle English to new American coinages, the BDE gives the broadest historical coverage of English etymology currently available, with specific dates pinpointing linguistic changes.

And The Barnhart Dictionary of Etymology to your reference collection today—and introduce your patrons, students, and staff to the story of our language in action.
