

ANAGRAMS FOR SADDAM HUSSEIN

TOUR DE FARCE

I.

Saudi's
 S Sands. Ah, I'm due
 A hidden sums as
 D U.N. has missed. A
 D Sudan Messiah
 A sues his damn'd
 M as dunes hid, as
 H U.S. dead mass in
 U dim ashes. Sand
 S amid sun, shade
 S in mad Hades. U.S.
 E sins dash mud. A
 I madness had us
 N shamed.

II.

Ah, Damn'd issues!
 Human asses did
 mad sad Hussein.
 Damn us, he's said
 and U.S. is shamed.
 He damns Saudis
 and has misused
 his muse. And sad
 sands hide a sum:
 his undead mass
 had dunes amiss
 and assumed his
 mad-dash sin. Sue
 his sad use. Damn
 Saddam -- he's in us.

III.

A dim sun shades
 his damned as U.S.
 smashes undid a
 sudden sham. (Is a
 muse his sad and
 dim use?) Hands as
 mad as his end us
 as shames undid
 Saudis. Men dash
 and smash; I'd use
 hands I assumed
 sun-mad. He's said
 UN's mad. He's said
 U.S. is dash'd. Amen.

IV.

A mad sun dishes
 his sad, sad menu:
 send Saudis ham,
 send Shias mud. A
 mad sun hides as
 Saddam shines. U.S. handmaids use
 sand-muses. Had I
 shed a sin as mud
 hisses and a mud
 man dies? Dash U.S.
 aid. Sand mushes,
 Shias madden us,
 sad heads minus
 a shine add sums:

(SADDAN HUSSEIN + U.S.I.S + HASID)
 MADNESS = DEAD HUMANS
