From March '79

Tired of all who come with words, but not language.
I went to the snow-covered island.
The wild does not have words.
The unwritten pages spread themselves out in all directions!
I come across the marks of roe-deer's hooves in the snow.
Language but not words.

Tomas Tranströmer

Trans. John F. Deane. **Selected Poems 1953-1986.** (New York:
Ecco Press, 1986)
