

MANUSCRIPTS

# Manuscripts

By whom, and by what means, was this designed?  
The whispered incantation which allows  
Free passage to the phantoms of the mind?

By you; by those deceptive cadences  
Wherewith the common measure is refined;  
By conscious art practised with natural ease;

By the delicate, invisible web you wove --  
The inexplicable mystery of sound.

-- T. S. Eliot

Butler University  
Indianapolis, Indiana

Volume 61, No. 1  
Autumn 1992
