SOME NEW -GRY WORDS

DARRYL FRANCIS Sutton, Surrey, England

Previous issues of Word Ways have made much of words ending in the three letters -GRY. The subject has occurred several times over the years, but the fullest lists of -GRY words appeared in the November 1989 and February 1990 articles by George Scheetz and Murray Pearce, respectively. The exact number of -GRY words therein is unclear, but it's probably at least eighty. Uncertainty arises depending on whether "gry" and "Gry" are counted as one or two words, and so on.

Oxford English Dictionary words ending in -GRY were specifically covered in a November 1992 Word Ways article. In this article, I exhibit words that were overlooked in the earlier one. In particular, using the CD-ROM version of the OED I have located all words ending in -GRY, including variant spellings which appear only in illustrative quotations, author's names, etymologies, etc. In a nutshell, my new findings are:

AFFECT-HUNGRY see sado-masochism [1935 "all sadomasochists are affect-hungry individuals"]

AGRY see snappily [E. Agry author of 1981 citation]

AIR-HUNGRY see Tel Avivian [1983 "No fewer than 10 construction companies are vying to provide land- and air-hungry Tel Avivians with a variety of lodgings"]
