

A New Jacket

I just bought this jacket
Doesn't it look like something from the
army
Like Tom Hanks in that movie
Yeah, I got it Saturday
But I crossed out OLD NAVY on the tag
And wrote "real army"
This hombre is no corporate tool

-Brad Latino

My eyelids deceive me
when I look at them,
darkness at first and then
reflection of flesh,
images of bony bodies,
dark red lips,
and mysterious violet eyes.
