# LOVE...

is an *unique*  
complicated simplicity  
both *beautiful & MESSY*

has no boundaries

*cannot* be *contained*  
does not know limits

-s-t-r-e-t-c-h-e-s-  
*bends*

(MOLDS)

is carefully un<sup>org</sup>anized &  
*melted-to-perfection*

a !CELEBRATION!

of hope  
happiness  
harmony

[an inner knowledge]

**more** than it appears

open to *interpretation*

provides hope  
surpasses time  
requires effort

“...is a many *splendid* thing  
lifts us up  
... where we belong

**...IS ALL WE NEED.”**

- Christine Weisenbach
