

BANANAGRAMS 15

Bananagrams---anagrams to drive you bananas—consist of rhymed couplets, each one containing a pair of anagrams to be solved. One of the rhyming words will always be an anagram, and the couplet itself will offer clues to help solve the anagram. I am indebted to Rex Gooch for supplying suitable anagrams in his “Dual Perms” article in the August issue. Answers can be found in Answers and Solutions at the end of this issue.
