

US PRESIDENTS: TRANSADDITIONS

REX GOOCH

Letchworth Garden City, Herts, England
 rexgooch@ntlworld.com

Darryl Francis (W2004-25) requests transadditions of the names of eight US Presidents. There are many to choose from in each case, apart from McKinley; but this is counter-balanced by the statement of Harrison's policies, and some connections to other Presidents.

Andrew Jackson

brownheaded jack pine sawfly (ITIS animals)
 Majdan Wierzchowinski, Poland, 50°52, 22°51

Benjamin Harrison

abortion-divorce-homosexuality-censorship-racialism-marijuana (OED, lefty 2)
