

THE ARRINGTONS

JEFF GRANT

Hastings, New Zealand

When I started work at a bank after leaving school, one of the other tellers had the surname CARRINGTON and the manager was Mr WARRINGTON. A few years later I left the bank and the manager of my new job was named HARRINGTON. I have played tennis with a BARRINGTON and Scrabble with a FARRINGTON. It makes you wonder how many different surnames end in -ARRINGTON.

Here is an attempt to compile an initial alphabetic insertion, made up of names starting with every letter from A to Z. We have cheated a bit with QUARRINGTON, and the examples for IARRINGTON, OARRINGTON, UARRINGTON and XARRINGTON are dubious. Others like EARRINGTON, RARRINGTON, VARRINGTON and ZARRINGTON could also be errors in transcription from written sources.
