

## TRANSPOSING PHRASES PART 2

SUSAN THORPE

Great Missenden, Buckinghamshire, England  
thorped@hotmai.com

In my *Transposing Phrases* (WW Feb. 2016 page 52), examples included NEON SIGN – NONE SING. The first and second words of a single phrase, respectively, were transposed into another phrase.

In Part 2, the first and second words of a single phrase exchange places before being transposed into another phrase.
