

TUMULTUOUS TEAMS

STEVE KAHAN

Hollis Hills, New York

There are 122 franchises in the four major professional sports in America – baseball (MLB), football (NFL), basketball (NBA), and ice hockey (NHL) – each of which has a distinctive nickname. Some of these are rearrangements of common words in our lexicon. For instance, STEM, MARS, HATE, and TSARS can have their letters permuted to form METS (MLB), RAMS (NFL), and HEAT (NBA), and STARS (NHL), respectively. Please perform the same operation on the score of entries appearing in the roster below.
