

RHYMING SYNONYMS 3 + ANTONYMS

ANIL
Perth, Australia

RHYMING DEFINITIONS CONSTRUCTED OF MULTIPLE RHYMES

Most of these failed to find single-rhyme synonyms but could be defined by combining two or more rhymes. I personally find them more interesting than most of the singles. Some include words that don't rhyme, having the same end sound, but rhyme with other words in the construct. Otherwise rhyme is as defined in Part 1 (16-316). The funnier ones are repeats from Kickshaws (16-283).

anility = senility imbecility (named after me?)

bright = recondite sight, erudite light

clandestine = unseen scene

claws = paw's 'jaws'

cleaner = keener gleaner

craze = praise phase

dink = prink link (dressy [slang])

distillation = evaporation-condensation

exhume = toom tomb (toom = to empty)

flasher = rasher dasher

foreplay = pre-lay foray

galore = more, more, encore more!

gloom = presume doom loom

gore = tore 'pore'

hack = crack cyberattack hijack

jock (strap) = cock lock-dock 'smock'

learning = earning discerning

led = sped ahead

'lip' = flip quip

lore = Yore store

matinee = day play

Maws = Paws' squaws (apologies if offended)

maze = daze ways

migraine = brain pain

mixed = fixed betwixt

mound = round earthbound ground

neat = discrete, meet, sweet

orgasm = protoplasm enthusiasm spasm

pep = hep step (step it up, get in the groove)

prude = lewd-stewed, nude-unglued

respiration = inhalation-exhalation

schlock = shock 'mock-stock' (inferior goods)

scope = dope-rope (delimited info range)

stray = foray away

tizzy = dizzy-busy

tomb = doom room (cf. gloom)

vine = twine bine (bine = stem of climbing plant)

vivarium = aquarium, terrarium

woo = pursue screw

yore = before goer (cf. lore)

dietician = nutrition logician-tactician-technician-physician

dismutation = oxygenation/hydrogenation disproportionation

leptonic = electronic, muonic, tauonic (the three classes of lepton)

luminescence = fluorescence, phosphorescence (the two main types of luminescence)

patination = carbonation, oxidation (carbonation on copper/bronze, oxidation on other metals)

stutter = shutter-utter (coinage, automatic camera metaphor)

xenation = nonrelation visitation (from Jeff Grant; xenation (OED, rare) = sojourning as a stranger)

RHYMING ANTONYMS

This is a somewhat random collection, not systematic like the synonyms but gathered during the search for them. If not precisely opposites, the two words are complements.

Absolutistic relativistic

acceleration retardation

acclaim (vb.) defame; (n.) shame

adore deplore

aggregation separation

= amalgamation dissociation

amelioration	exacerbation	anabolism	catabolism	angelic (child)	smart	aleck
