

HOMOPHONIC SPOONERISMS

SUSAN THORPE

Great Missenden, Buckinghamshire, England

thorped@hotmai.com

SPOONERISMS occur when the initial letters of a 2-word phrase are swapped to form a new phrase:

eg. *SEND MAIL* - *MEND SAIL*

HOMOPHONES sound the same but are spelled differently and have different meanings:

eg. *WHICH* and *WITCH*

'HOMOPHONIC SPOONERISMS' combines the two when converting one 2-word phrase into another 2-word phrase:
