Digital Commons Welcomes the College of Business!

This past Spring the College of Business joined SelectedWorks. To date we have added 55 business-related articles to our [Repository](#) and have built 16 [SelectedWorks](#) pages for COB faculty. In addition, our growing collection of Butler business scholarship has seen 839 downloads from 49 countries.

The remaining SelectedWorks pages for the College of Business should be completed by December 2010. So, as this collection of business scholarship continues to grow, the [College of Liberal Arts and Sciences](#) may experience some friendly download competition!
