Through all the grief and strife,

Let my voice ring out

Let my voice ring

Through all the grief and strife

Let my voice ring out
with a gold-en strife, in a sil-ver mirth: Thank God for life!

Let my voice
swell out through the great abyss, great abyss

To the azure dome above To the azure
dome a bove Let my voice swell
out through the great abyss To the azure
rite.

Let my voice thrill out

Slow Tempo Primo

Be-neath and a bove

Let my voice thrill out
The whole world through:

Let my voice thrill out

Let my voice thrill the whole world through O my love and life,
O my life and love, Thank God for you!

Thank God for you!
