I hope you'll be tempted to play this open-ended game again and send your best efforts to the editor
or to the Kickshaws editor.

NATURAL ORDER

SIR JEREMY MORSE
London, England

The quaking jungle
Becomes a zone
Of unvexed order
When the lion preys—
    A buck dies fighting;
    Jackals moan;
    Opaque forest
    Curves in waxy haze.
