WHERE THERE'S SMOKE...

LEONARD R. N. ASHLEY
Brooklyn, New York

In the August 1978 issue of Word Ways, James Rambo showed how "Cigarette Smoking is Dangerous to Your Health" could be repeatedly anagrammed to form a cautionary tale in verse. It's time, therefore, for a quiz on smoking terminology.

The Britisher with his "packet of tabs" and the American with his "pack of coffin-nails" both have a lively and varied vocabulary related to smoking. How much of the slang do you know? We've thrown in some chewing and snuff terms also for you old-timers. Twenty is good. Ten? You're on reefer's!
