INSTRUCTIONS TO AUTHORS

Word Ways is interested in receiving original articles (non-fiction, fiction or poetry) relating to recreational logology. All articles should be sent to the editor, A. Ross Eckler, Spring Valley Road, Morristown New Jersey 07960.

It is only necessary to send one copy of an article. Although handwritten manuscripts are permissible, authors are strongly encouraged to send typewritten articles in order to ensure legibility. Crossword puzzles, diagrams and the like should be drafted in black or India ink in a form suitable for photo-offset reproduction (Word Ways pages are reduced from 8 1/2 x 11 sheets).

In non-fiction articles, the responsibility for the accuracy of the statements rests primarily with the author. The general scope of any investigation should be defined: for example, a statement that words have been taken from Webster's Collegiate Dictionary or Webster's Unabridged Dictionary, or place names taken from the Rand McNally Commercial Atlas or the Times Index-Gazetteer of the World. If a word or a name comes from an unusual source, this should be identified. Footnotes in general should be avoided; references can be given either in the text or at the end of the article.

Non-subscribers to Word Ways will receive a copy of the issue in which their article appears.

THIS WORLD-FAMOUS WRITER HAS PRODUCED GREAT WORKS

We are lucky to obtain copies of this biographer's masterpieces. One title is CURIOUS CROSSWORDS. The other is LANGUAGE on VACATION. Both books are frequently cited by writers of interesting articles in WORDS. These two books are not out of print and out of stock. They cannot be found in bookstores now. But, you can still get both titles from us at the special price of $4.00 each, or both for $7.00. We really have only a limited supply remaining. When these gone, no more copies will be available. Another of Mr. Borhman's works, BEYOND LANGUAGE is almost impossible to find. We ought to know. We advertised for it and received no response. Don't wait too long. Get these books while the present supply lasts. Each title is truly a grand paradise of puzzles and information.
