Pick up this quiz and don't pass up the opportunity to pony up with the synonyms for the following expressions, all of which have up in them. If you come up with more than half of them, consider yourself up to the challenge and feel up about it. In some cases there may be up to two or three possible answers but what I'm up to demands you ante up with the commonest answer. OK, now it's up to you, and I hope you're up to it. Up up and away!
